Gounder**

Friends and Partners,

It is hard to believe that the first half of this year is already over. We have seen a lot of progress during these past few months. 31 people have made decisions to follow Christ during our ministry.

In Bakersfield, CA a prayer team is in place to pray for this Indian ministry.

In Fresno we have a need for regular visits to new believers. For this reason I have been commuting as often as possible.

We had great ministry in Sacramento, CA where I worked with an Indian pastor to hold a crusade that produced good fruit.

Early June I visited many Indian families with our ministry partners in New Jersey. We had the opportunity to pray for many new friends.

We have just come back from visiting my dad in Australia who had to undergo a leg bypass surgery to correct some damage to his veins. He is healing well. Praise God!

Sylvanas has become a keen sportsman. After a season of basketball, he just finished with soccer. His team won the elementary Championship.
