Intercultural Ministries Director

Dear Friend of U. S. Missions:

I am happy to recommend to you Simon and Anjana Gounder. The Gounder's are ordained ministers with the General Council of the Assemblies of God, U.S.A. and have recently been commissioned as U.S. Missionaries.

Being of Asian Indian descent and raised as practicing Hindus, God has called Simon and Anjana to reach out to the Asian people and Hindus living in America. They are currently working in the Southern California area and God is blessing them.

This wise and experienced missionary couple has a proven track record of success in their former country. This can only be enhanced as God raises up partners who will provide them with the resources needed for their full-time ministry in the field here in America. They are worthy servants for you to embrace with your prayers and your U. S. Missions support.

If any additional information is needed, please do not hesitate to contact my office by mail, email, or phone. Thank you for being a partner with U. S. Missions!

Reaching the nations in our nation,

Scott Temple
