ASSISTANT SUPERINTENDENT
C. DAVID GABLE

Hello, Pastor and Missions Committee!

May an awareness of the fantastic grace of our Lord Jesus Christ brighten your day!

Simon and Anjana Gounder are gifts, from God, and from the Fijian Assemblies of God, to us, here, in the United States. They mobilize ministry to people of Indian ethnicity (Fiji is 50% Indian).

Simon and Anjana have gone through the lengthy steps of approval as General Council Appointed Missionaries. They will plant a congregation in Artesia, California, here in the heart of the Indian community. Meanwhile, they are developing many other facets of ministry, mobilizing churches to reach out to Hindi-speaking communities in their town, and serving as contact persons for churches who wish to do short-term ministry in Fiji.

I recommend these people to you as warm and wonderful servants of God who will do all they can to connect you and your congregation to the Indian community. Bless and encourage these people in their ministry!

To the King! To the Kingdom!
